Mr. F. Konkin,  
Clerk-Treasurer,  
Township of Prince,  
Box 726,

SAULT STE. MARIE: 1970 Road Estimates By-law  
Ontario.

Dear Sir:

Enclosed are four copies of By-law Form OB-MR-16 and three copies of supporting Road Programme OB-MR-18 for use when submitting estimates of 1970 normal road expenditures for which your township will claim subsidy under The Highway Improvement Act.

In order that the expenditures for this district may be kept within the amounts allocated to it, it is necessary to advise you that the maximum estimates that may be approved for your township for normal expenditures shall not exceed

\$ NIL for Construction and \$ 8,000.00 for Maintenance.

When preparing the by-law and supporting road programme be careful to see that the various sub-totals on programme agree with the amounts entered in the by-law. All totals should be rounded to the nearest hundred dollars.

Please pay attention to the footnote on the Road Programme re Distribution of Overhead, Construction and Maintenance.

Three copies of the completed by-law and two copies of the programme must be forwarded to the undersigned not later than March 31st, 1970.

In the event your municipality considers it necessary to submit a supplementary by-law, such by-law must reach this office not later than May 31st, 1970. I must caution that each by-law will be subjected to rigorous scrutiny and recommendations for approval will be in line with our financial position at that time.

It is unlikely that any supplementary by-law received after May 31st, 1970 will be given consideration until the end of our fiscal year.

Yours very truly,

District Engineer
