the Corporation of the Township of Prince

WHEREAS pursuant to section 11(3) of the Municipal Act, 2001, c.25 and amendments thereto municipalities may pass by-laws respecting matters of parking, except on highways, within their jurisdiction.

NOW, THEREFORE, the Council of the Corporation of the Township of Prince enacts as follows:

1. Definitions

“Parking lot” means the area established as the appropriate space for parking at 3042 Second Line West at the Community Centre, including the fire hall;

“Vehicle” means an automobile, a motorcycle, a trailer, a snow machine, or any other vehicle propelled or driven otherwise than by muscular power.

2. Regulations

No person shall drive a vehicle at a greater rate of speed than 25km per hour in a parking lot.

No person shall park a vehicle in the parking lot overnight, from November 1 to March 21, unless given written permission from the Township Office. Firefighters are exempt from this clause when on fire department business.

3. Liability

No person using a parking lot for any purpose in any manner whatsoever shall make any claim or bring any action against the Township for any loss or costs and damages which that person may suffer, be at, or be put to, for, or by reason of, or on account of, the act of any other person on such parking lot.

4. Penalty

Any person who contravenes any of the provisions of this by-law is liable to a penalty in accordance with the Provincial Offences Act.

The owner as well as the driver of a vehicle shall incur the penalties provided for a contravention of this by-law, unless at the time of the

contravention the vehicle was without the owner's consent in the possession of some person other than the owner.

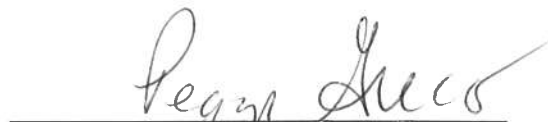

5. Vehicle Subject to Removal

In addition to any other penalties provided by this by-law, upon discovery of any vehicle parked on a parking lot in contravention of the provisions of this by-law, a by-law enforcement officer or a police officer may cause such vehicle to be moved or taken to and placed or stored in a suitable place and all costs and charges for the removal, storage and care thereof, if any, are a lien upon the vehicle and may be enforced in the manner provided by the Repair and Storage Liens Act, R.S.O. 1990, c. R. 25.
