INDEPENDENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of
the Corporation of the Township of Prince

Report on the financial statements

We have audited the accompanying statements of the Corporation of the Township of Prince, which comprise of the consolidated statement of financial position as at December 31, 2010, the consolidated statements of operations, consolidated statement of changes in net financial assets (net debt) and consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibilities for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting principles and for such internal control as management determines as necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

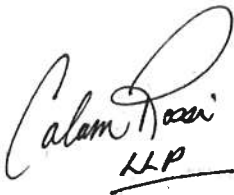

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Unqualified Opinion

In our opinion, these financial statements present fairly, in all material respects, the consolidated statement of financial position of the Corporation as at December 31, 2010, the results of its consolidated operations, consolidated statement of changes in net financial assets (net debt) and consolidated cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

DECEMBER 31, 2010

The Corporation of the Township of Prince ("the Township") is a municipality in the Province of Ontario, Canada. The Township conducts its operations in accordance with the provisions of provincial statutes such as the Municipal Act, Municipal Affairs Act and related legislation.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

MANAGEMENT RESPONSIBILITY

The consolidated financial statements of the Corporation of the Township of Prince are the representation of management, prepared in accordance with local government accounting standards established by the Public Sector Accounting and Auditing Board of the Canadian Institute of Chartered Accountants. Since precise determination of many assets and liabilities is dependant upon future events, the preparation of periodic financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgment.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES ADOPTED BY THE TOWNSHIP:

REPORTING ENTITY

These consolidated statements reflect the assets, liabilities, operating revenues and expenditures, reserve funds and reserves and tangible capital assets of the Corporation of the Township of Prince. The reporting entity is comprised of all organizations, local boards and committees accountable for the administration of the financial affairs and resources of the Township, and which are owned or controlled by the Corporation of the Township of Prince. The Public Library, Museum and Parent /Child Resource Centre are accordingly consolidated in these financial statements.

All material inter-entity transactions and balances are eliminated on consolidation.

NON-CONSOLIDATED ENTITIES

The following local boards, joint local boards and municipal enterprises are not consolidated:

Algoma Health Unit
Algoma District Homes for the Aged
SSM District Services Administration Board

ACCOUNTING FOR SCHOOL BOARD TRANSACTIONS

The taxation, other revenue, expenditures, assets and liabilities with respect to the operations of the school boards are not reflected in the municipal fund balances of these financial statements.

TRUST FUNDS

Trust funds and their related operations administered by the Township are not consolidated, but are reported separately on the "Trust Funds Statement of Continuity and Statement of Financial Position."

ACCRUAL ACCOUNTING

The accrual basis of accounting recognizes revenues as they become available and measurable. Expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

THE CORPORATION OF THE TOWNSHIP OF PRINCE

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

DECEMBER 31, 2010

NON-FINANCIAL ASSETS

Non-financial assets are not available to discharge liabilities but are held for use in the provision of services. The useful lives of such assets extend beyond the current year, and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the accumulated surplus (deficit), provides the Change in Net Financial Assets for the year.

TANGIBLE CAPITAL ASSETS

Tangible capital assets are recorded at cost, and include all amounts that are directly attributable to the acquisition, construction, development or betterment of an asset. The cost less residual value of all tangible capital assets are amortized on a straight-line basis over their useful lives as follows:

	<u>Useful Life - Years</u>
Non Linear assets	
Land improvements	20-25
Buildings and building components	20-40
Vehicles	4-20
Machinery and equipment	3-20
Linear assets	
- Road bases	40
- Road paved surface	25
- Bridges and structures	25-75

Works of art and historical treasures are property that has cultural, aesthetic, or historical value that is worth preserving perpetually. Works of art and historical treasures would not be recognized as tangible capital assets in government financial statements because a reasonable estimate of the future benefits associated with such property can not be determined. Disclosure of the existence of such property is required under PSAB.

Tangible Capital Assets meeting the aforementioned description for the Township is:

Prince Museum and Display

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

DECEMBER 31, 2010

TANGIBLE CAPITAL ASSETS (CONT'D)

Township of Prince has a capitalization threshold of \$5,000 for all categories of tangible capital assets. Individual assets below the threshold are expensed, unless they are pooled, because collectively, they have significant value. The Township's threshold for pooled assets is \$5,000.

Contributions of tangible capital assets are recorded a fair value at the date of receipt and that fair value is also recorded as revenue.

Leases are classified as a capital or operating lease. Leases that transfer substantially all the benefits and risks incidental to township of the property are accounted for as a capital lease. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

SURPLUS LAND

The carrying value of surplus land is based on the purchase and development costs and does not reflect any gain that may arise if the land sells for more than the carrying value.

DEFERRED REVENUE

Deferred revenues represent user charges and fees which have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenue in the fiscal year the services are performed. From time to time the Township receives development charges under the authority of provincial legislation and Township by-laws.

RESERVE AND RESERVE FUNDS

Amounts that are approved by the Township Council are set aside for reserves and reserve funds for future operating and capital purposes. Transfer to/from reserves and reserve funds are an adjustment to the respective fund when approved.

AMOUNTS TO BE RECOVERED

IN FUTURE YEARS

Amounts to be recovered are reported in the municipal position on the consolidated statement of financial position. The balance represents the outstanding principal of unmatured long term liabilities, liabilities not due yet and other future expenditures not yet levied on taxpayers.

THE CORPORATION OF THE TOWNSHIP OF PRINCE

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

DECEMBER 31, 2010

FINANCIAL INSTRUMENTS

The Township's financial instruments consist of cash and term deposits, taxes receivable, accounts receivable and other assets, accounts payable and accrued liabilities, other current liabilities and long term debt. Unless otherwise noted, it is management's opinion that the Township is not exposed to significant interest, currency or credit risks arising from these financial instruments.

FUTURE EMPLOYEE BENEFITS

The municipality participates in the following benefit plans:

(a) Pension Plan

The municipality provides pension benefits to substantially all employees through the Ontario Municipal Employee Retirement Fund (OMERS), a multi-employer plan. The pension expense to the municipality is equal to the municipality's contributions due to the plan in the period.

(b) Sick Leave

The municipality's employees may accumulate unused sick days and may become entitled to a cash payment when they leave the municipality's employment. The municipality accrues the cost of these employee future benefits over the periods in which the employees can earn the benefits. The cost of these employee future benefits is determined using management's best estimate.

GOVERNMENT GRANTS AND TRANSFERS

Government transfers include entitlements, transfers under shared cost agreements, and grants. Revenue is recognized for unconditional entitlements and grants in the period received or receivable. Revenue is recognized for any conditional entitlements and grants in the period of the associated expenditure is incurred. Revenue is recognized for transfers under shared service agreements in the period the costs are incurred.

BUDGET FIGURES

The approved operating budget and capital budgets are reflected on the Consolidated Statement of Operations and are unaudited. The budgets established for capital investment in tangible capital assets are on a projected-oriented basis, the costs of which may be carried out over one or more years and therefore, may not be comparable with current year's actual expenditures.

COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform with the current year financial statement presentation.

INDEPENDENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of
the Corporation of the Township of Prince

Report on the financial statements

We have audited the accompanying statements of the Corporation of the Township of Prince's Trust Funds, which comprise of the statement of financial position as at December 31, 2010, and the statement of Trust Continuity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibilities for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting principles and for such internal control as management determines as necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Unqualified Opinion

In our opinion, these financial statements present fairly, in all material respects, the statement of financial position of the Corporation's Trust Funds as at December 31, 2010, and the statement of Trust Continuity for the year then ended in accordance with Canadian generally accepted accounting principles.
