JOYFull Socks

a

Christmas Campaign

JOYfull Socks was launched two year ago by Leslie Cassidy-Amadio. She is launching this campaign again in

hopes of matching or exceeding the successful inaugural year.

It is very easy to be involved. You can purchase a pair of socks, men's, women's or children's and fill them with age and gender appropriate grooming articles.

Grooming products may include soap, shampoo, cream rinse, toothpaste, toothbrush, floss, hand lotion, combs, hair brushes or razors. Just to mention a few. Also, the Soup Kitchen is in need of canned fruit, juices, coffee mate, canned milk, skim milk powder and snack items for children, such as granola bars and fruit cups and anything healthy. And so much more!

You can donate in many ways; purchase and fill socks, donate socks unfilled, donate grooming products, donate non-perishable food items, donate gently used clothing or toys, or buy a new toy for a child. There are so many ways to be involved and each and every way will make a difference.

The filled socks and donations are presented to patrons of the Soup Kitchen Community Centre, in Sault Ste. Marie.

Please bring your donation by December 9th, 2013 to the Prince Township Office at 3042 Second Line West or call Leslie (705) 779-2836 for pick up.

Friends of the Prince Township Library News

Second Annual Joyce Kasch Award: Do you know a Prince Township Library volunteer who's given you excellent service over the years?

Perhaps it's someone who kept the bulletin board up-to-date, or helped you log onto the MPAC Web site, or got your kids hooked on The Hobbit before the book was turned into a movie.

If you know an "extra-miler" volunteer, please tell the Friends of the Prince Township

Library. Your nominee may be this year's recipient of the Joyce Kasch Award for excellent service.

The award is named in memory of the late Joyce Kasch (d. 1986), who worked tirelessly to bring a friendly community library, staffed by volunteers, to Prince Township.

To nominate a volunteer, call Margaret Christenson (779-3996), Marguerite La Haye (779-3907), or Judy McGonigal (779-3643) **by Nov. 15.**

What are Friends For? At the Friends' recent annual general meeting, Treasurer, Judy McGonigal listed the items our group has purchased for the library over the past three years. The total contributions were worth almost \$18,000. They included new shelving, computer equipment, library supplies, and funding to hire summer students through the Canada Summer Jobs program.

That's a substantial achievement for a handful of volunteers (and spouses, kids, grandkids, patrons, and students.) We're looking forward to welcoming new volunteers, as several events are in the works as we approach 2014. If you have any ideas that put the fun into fundraising, please join us.

Station Mall Basket and Bake Sale

Nov. 28: The Friends will hold a one-day sale of theme gift basket and homemade baking in the Station Mall from 9:00 a.m. to 6:00 p.m. We need volunteers to help assemble or label gift baskets and supply baked goods.

We'd also be grateful for donations of hand-crafted items. For further information, contact Dorothy Macnaughton, the Friends' president, at 705-759-0733.

REMEMBRANCE
DAY

"We often take for granted the very things that most deserve our gratitude." - Cynthia Ozick

Food for thought!

The 2014 Election is **only** a year away. Below are a few key dates and facts.

Voting date:

Notwithstanding advance poll arrangements, the 2014 **municipal election** is scheduled for October 27, 2014 to select one Head of Council and five members of Prince Township Council, as well as a member of each of the four school boards. (English and French, Public and Catholic)

Nomination Period:

Candidate registration opens on January 6, 2014 and ends on September 8th, 2014.

Term Length:

The term of office for all positions is four years.

Qualifications for Municipal Office:

A candidate for municipal office must, upon nomination, be a qualified municipal elector and fulfil all of the following requirements:

- a resident of the municipality, a non-resident owner or tenant of land in the municipality or the spouse of such non-resident owner or tenant;
- a Canadian citizen;
- at least 18 years old;
- not legally prohibited from voting; and
- not disqualified by any legislation from holding municipal office.

NOTE: A candidate, if nominated, must remain qualified throughout the election and, if elected, throughout the term of office.

Prince Township and the City of Sault Ste. Marie were successful in the second round of the Municipal Infrastructure Investment Initiative (MIII) funding. The province announced last week that we will be receiving over \$3.1 million, jointly. Although it is below the requested amount, it will make the replacement of the 4 bridges (2 on Base Line and 2 on Town Line) possible.

The Environmental Assessment Study for this project is available in the office for anyone interested in reviewing it.

Respectfully submitted,
Peggy Greco, CAO/Administrator

COUNCIL MEETING SCHEDULE

Regular Council Meetings

Tuesday Nov. 12th, 2013
6:45 p.m.

Agendas can be picked up at
the municipal office after 4:00
p.m. on the Friday before.

FINAL REMINDER FROM CANADA POST ABOUT YOUR MAILING ADDRESS

Canada Post has sent out reminder letters stating that redirection of your mail will end on November 19, 2013.

Any mail received after this date that does not indicate your new address will be returned to the sender.

Please take the time to make note of those correspondents who are not yet using your new address and take the time to notify them.

Garbage and Recycling

Residential refuse should be curbside before 7:30 a.m. on collection day.

Place bags/containers on the ground as close as possible to the roadway,

but not on the traveled roadway or on top of snow banks.

Each residence is limited to two bags/containers of refuse. Tags must be affixed to any excess bags/containers. Tags may be purchased at the Airways General Store or the Municipal Office.

Containers may not exceed 121 litres. Any container over 121 litres is considered a storage unit and every bag of refuse in the unit is counted as a bag. Maximum weight for bags/containers is 20 kg. or 44 pounds.

There is an issue with garbage being put into the recycling containers at the back of the municipal office. Styrofoam, plastic bags, margarine/sour cream containers, yogurt containers, fruit/vegetable trays, etc. are **not** accepted. Please check the numbers as well. Only containers with # 1 and # 2 are accepted, with the exception of the containers mentioned above. The recycling area is not to be used to dump your trash. If you have extra trash please purchase extra garbage tags or take it to the local landfill.

Please be advised that the Recycling Crew will no longer sort your recycling due to safety concerns. (eg. Broken glass, can lids, dirty diapers etc.) If it is not sorted properly it will be left behind.

Please DO NOT use plastic bags to sort your recycling. The recycling depot does not take the plastic bags, so the road crew has to spend time undoing the bags and taking everything out of the bags. We do appreciate everyone's efforts to make it easier for our Road Crew.

EMERGENCY PLANNING FOR EXTREME COLD WEATHER

Prepare Your Home and Car for Winter

At Home:

- Have alternate means of heating with sufficient fuel, such as a wood or propane furnace, or a kerosene heater. Ensure alternative source of heat is approved for indoor use
- Generator with several days' worth of fuel (Caution: generators produce toxic gases such as carbon monoxide. These should only be used outdoors where fumes may be vented safely.)
- Electric space heaters with automatic shut-off and non-glowing elements (to reduce the risk of fire)
- Blankets

In the Car:

- Travel with a mobile phone
- Blankets and other warm clothing (gloves, toques, jacket) – never rely on a car for heat since it may break down
- First aid kit
- Signaling device, such as road flares
- Booster cables
- Toolkit
- Bag of sand (to pour on ice or snow for added traction)
- Tow rope
- Collapsible shovel
- Flash light and spare batteries
- Candles and matches
- Brightly colored clothes
- Container of water and high energy bars
- Windshield scraper

Recycling

Recycling saves trees, protects habitat, helps reduce greenhouse gases, reduces the need for landfills, and curbs pollution. The average homeowner can reduce garbage by as much as 30 or 40 per cent by recycling. Increasing the use of your blue box will minimize household garbage and help to keep within the two-bag/container garbage limit.

The Township provides curbside collection on a bi-weekly basis. See the first page of the newsletter that has a chart to when your area has pick up. Recyclable materials can also be deposited in the bins located at the back of the Municipal Building. Bins are clearly marked as to where to put your recyclables. Please remember that only recyclable items may be left there, *no garbage*.

Reusable household construction and renovation materials can be brought to the Habitat for Humanity ReStore at the corner of Second and North Street.

Please remove all lids and food contents before recycling, rinse containers and remove caps.
