We will resume our winter hours September 3 after the Labour Day long weekend.

We are happy to announce that our new CEO has been chosen! A big congratulations goes out to longtime volunteer Rita Wagner! You have been dedicated to the library for many years and we look forward to seeing what you accomplish in your new position!

Don't forget there is a Book Club meeting September 26 in the library. "I Love You Like a Tomato" by Marie Giordano will be discussed.

As the weather starts to cool down, it may be time to curl up with a good book. New books include "Choke Point" by Ridley Pearson. Private security firm Rutherford Risk is hired by a philanthropist to find and shut down an Amsterdam-based sweat shop. John Knox and Grace Chu attempt to dismantle the child labour operation but with enemies around every corner they can't tell the good from the bad.

Another book that needs to be checked

out is "Sand Castle Bay" by Sheryl Woods. Emily Castle left home years ago to become an interior designer. The youngest of three sisters, Emily desperately wanted to prove herself. Success, though, came at the cost of leaving behind the man she loved. Boone Dorsett is now a widower with a young son. When Emily returns home will fate once again separate them- or is the time finally right for these two lovers?

Non-fiction lovers need to check out "True Canadian Disaster Stories" that has been recently donated. This book, written by Ed Tutts, is a collection of twenty historical tales of tragedy experienced by Canadians of the not-so-distant past. This includes disasters such as the Spanish Influenza epidemic of 1919 and the Winnipeg Flood of 1950.

Remember if there is ever a book that we do not have in our collection but you are interested in reading, just ask our volunteers about an interlibrary loan. We can order books from other Ontario libraries and best of all it is free!

*"Come, little leaves," said the wind one day,  
"Come o'er the meadows with me and play:  
Put on your dresses of red and gold -  
For summer is gone and the days grow cold."  
Have a great Fall!*

**Second Annual Joyce Kasch Award**

Do you know a Prince Township Library volunteer who's given you excellent service over the years? Someone who told let you know when the library had a new book by your favorite author? Someone who found the Consumer Reports article you wanted to read before you bought a new car?

Perhaps it's someone who kept the bulletin board up-to-date, or helped you log onto the MPAC Web site, or got your kids hooked on The Hobbit before the book was turned into a movie.

If you know an "extra-miler" volunteer, please tell the Friends of the Prince Township Library. Your nominee may be this year's recipient of the Joyce Kasch Award for excellent service.

The award is named in memory of the late Joyce Kasch (d. 1986), who worked tirelessly to bring a friendly community library, staffed by volunteers, to Prince Township. This year's recipient will be announced in November at the library's Christmas tree decoration party.

To nominate a volunteer, call Margaret Christenson (779-3996), Marguerite La Haye (779-3907), or Judy McGonigal (779-3643).

**ADMINISTRATOR'S COUNCIL  
REPORT**

Summer has come and gone....or did it ever actually arrive?

I'd like to congratulate Rita Wagner on her appointment by the library board as the new CEO of the Prince Library. I wish you all the best in your new position.

**The Township of Prince is looking for a part-time Animal Control Officer. If you are interested in applying for this position, please have your résumé in the office by 4:00 p.m., September 13, 2013.**

On July 9<sup>th</sup>, 2013, Council passed a by-law prohibiting the feeding and attracting of wildlife. A full copy of the by-law is in this newsletter. Please be considerate of these animals and your neighbours.

**Council will be having a special meeting at 7 p.m. on September 3, 2013 to discuss the naming of the park that is being developed next to the marina. The meeting will take place in the Community Hall at 3042 Second Line West. Everyone will have an opportunity to speak once. Time will be limited to 5 minutes per person.**

Douglas Drive and Base Line have now been surface treated. The grant for the bridge repair was unsuccessful but we will be re-applying in the next round of applications.

Thank you to Alex Rudnicki and Jesse Morley, who worked so hard on the road crew over the summer months. We wish you luck as you return to school this fall.

The summer day camp was a great success this year. The camp was running at capacity most days. Thank you to Jessica Bauer, Luke Morley, Carly Mowbray and Chelsea Vial for doing such a great job. Good luck to each of you as you return to your studies.

Our NOHFC, Laura McConnell has completed her time at Prince Township and has headed off to Law School. Laura was an amazing asset to the municipality, completing the Strategic Plan, the Accessibility Plan and the Energy Usage Report, as well as assisting in virtually every aspect of the office activities. She will be greatly missed. We wish her every success in her future endeavors.

Watch for a new electronic sign out front in the not too distant future. This will replace the existing sign and allow us to keep you up to date on what's happening in the township.

Respectfully,

Peggy Greco
